As the sun
rises on a new day,

the sun also rises
on a new beginning
in our lives.

A time of friendships,

challenges,

triumphs,

defeats;

A time of learning

and preparation

for the future . . .

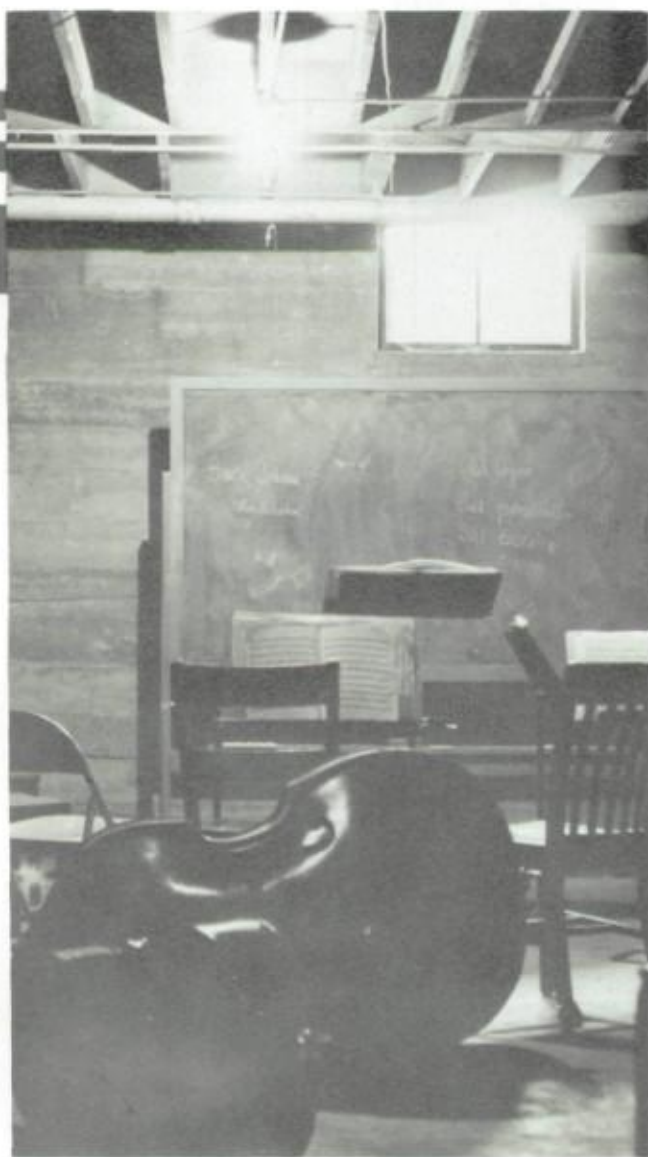

And in this new era,

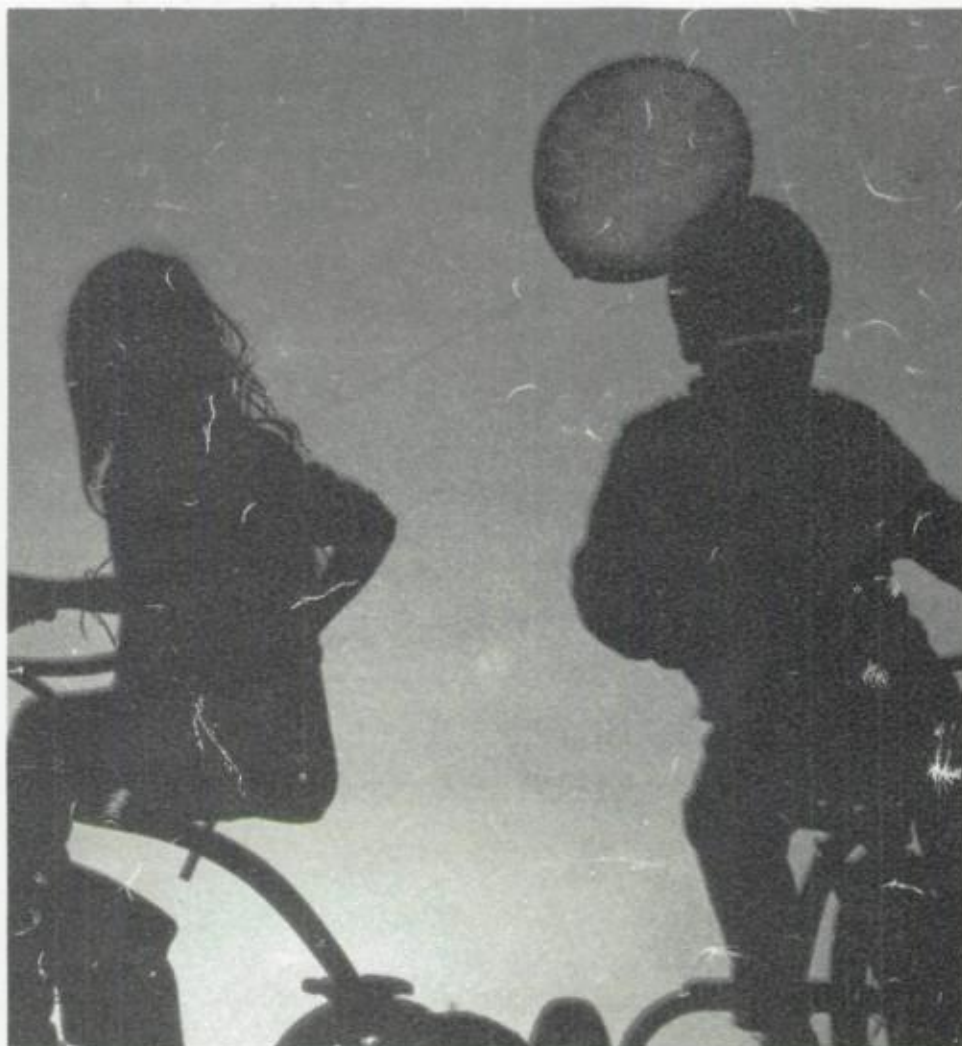

we build our futures.

We build the

foundation for

what we must become.

These are the wonder years.

Each year the students and faculty face new challenges at Weber High School, this past year has been a year of planning and anticipating the move from "Good Old Weber" to the new building.

The question, "When will we be moving into the new building" has crossed everyone's mind many times during the year. It's been the topic of conversation among the staff, the studentbody and our patrons. Now as the school year closes this question becomes an answer in the minds of everyone. The same high

standards that have always prevailed at Weber will soar to even higher levels. The building and an enlarged campus will provide even greater opportunities for our students. This will enhance our possibilities in all areas of school life.

As graduates you can look back with pride at your accomplishments and look ahead with joy at the future for the incoming Warriors.

Best Wishes for a Successful Future,

Jay Rhees

I commend each of you for making the 72-73 school year a success. Your abilities and efforts have been acknowledged; it would be my wish that you continue to work hard, strive for personal achievement, and maintain high standards.

A. B. Dursteler

Assistant Principals Board Office

I've spent my entire career in education at Weber High. "Good Old Weber, Grand Old Weber," has a particular significance to me. The students, faculty, and even the facilities here are an integral part of my life. I'm very proud to be identified with such a fine, friendly school.

As we move to the new Weber High let's make sure we take with us the great traditions that have been built through the years.

Mr. Parker

Left to Right: Dale Schimmelpfennig, Finance. Jay Taggart, Assistant for instruction. Dr. William Boren, Superintendent of Schools. Dr. LaVerd John, Assistant superintendent for special services.

Guidance Office

Left to Right: Thera Johnson, Lila Allen, Norma Burnett, Lucille White, Michael John, Betty Janiak.

Life sometimes calls for more than one person to tackle a problem. These "more than one person" are called the counselors. They have helped us with our problems and prepared us for the future. We give special thanks for a job well done.

Custodians

Left to Right: Amasa Clark, Vern Child, Doug Kammeyer, Elmer Roberts.

Cooks

Left to Right: Beverly Story, Alice Warren, Bernita Williamson, Zola Stoker, Claudia Goodell, Ruth Ann Larsen.

Faculty

Ranking first among the unsung heroes at Weber High are our faculty members. Few, if any students, realize how far their jobs really do extend. Among their normal duties are teaching, babysitting, passing judgment, refereeing fights, fighting fires, and chaperoning dark rooms and corners. Our faculty should be commended on the fine manner in which they handle the varied situations that arise in this school.

History Department

Left to Right: Tim Chatelain, David Davies, Linda Thorpe, Leland Smith.

SCOUTS LEADER BOY

OFFICERS 7273

It takes the spirit and cooperation of a whole student body to make a great school greater. But, it takes fantastic leadership to get everyone working towards the same goal. This year's officers, Gary, Shauna, Dave, and Cynthia, possess not only leadership abilities but a carefree friendliness as well. They've put Warrior Spirit on top and helped towards keeping Weber#1. Thanks.

Thank you for making this a very memorable experience in my life. I'll always remember this year with a deep feeling of pride and honor. You've really shown the spirit of a Weber Warrior. Thanks again, Warriors.

Dave Kennedy

Thanks Warriors for giving me the opportunity that you gave me and for being the best studentbody anyone ever had the opportunity to serve. This year's been the greatest. Good luck to you and take care.

Shauna Packer

Each year I've been at Weber High seems to be better than the last. I'm proud to have been associated with the studentbody and for the opportunity of representing you as an officer. Thanks for your spirit and good luck in the future.

Dave Mesick

This year has really been a riot for me, but it has also been a great learning experience. "Thanks" so much for the opportunity of being a student leader and being able to work for Weber High. I will always cherish this experience. Make your youthful years rich and meaningful and build a strong foundation for the future — you're only young once!

Cynthia Saunders

Take care of Weber Warriors!

Senior Class

At the top of the student body are the "mighty" seniors. This year's graduating class has greatly surpassed what was required of them by going the extra mile. They've won the spirit stick as well as showing the rest of the student body a great example to follow. Good luck in later years — Seniors!

Girls Association

Last year's girls, under new management, have been successful in uniting this year's student body into the best that ever was.

The officers are: Left to Right — Darcelle Baggs — Junior Rep., Wanda Ransom — Senior Rep., Michelle Benson — Historian, Jennell Jenkins — President, Nancy Kawa — Vice President, Marcia Parisi — Secretary, Jolene Searcy — Sophomore Rep.

Boys Association

Breaking the dreariness of an ordinarily dull school year were the Boys Association officers, Blair, Louis, Mark, Mitch, Kim and Blair. They got things rolling with the Crazy Hat Stomp and carried their fun through the Rocking Chair Marathon and the Root Beer Drinking Contest. Although notoriously famous for staying out of trouble, the officers sponsored a great year and still managed a little mischief on the side. Thanks, fellas.

Left to Right: Mark Chandler — Senior Rep., Blair Buswell — Sophomore Rep., Blair Hancock — Junior Rep., Mitch Jensen — Vice President, Louis Flores — President, Kim Isaacson — Secretary (absent).

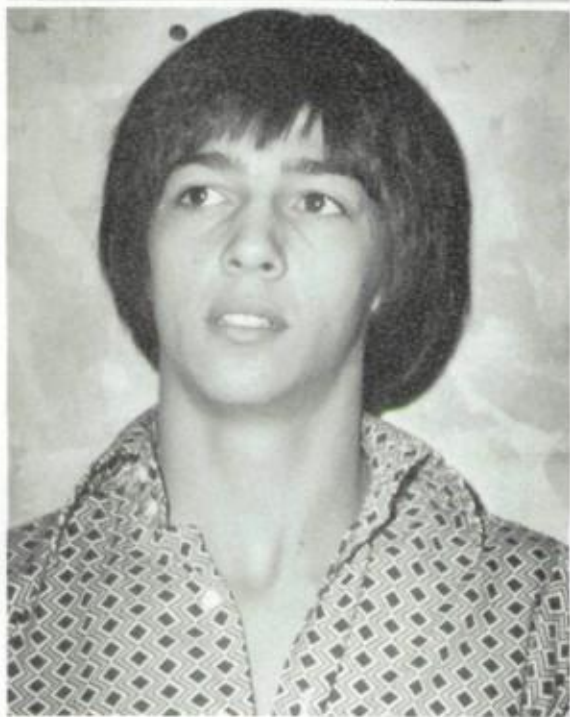

AFS

Foreign Exchange

I'll always be glad for my experience in Turkey, even if we ate sheep's head and only had water every other day for two hours. It's the greatest opportunity I've ever had.

Kayleen Campbell

My experience this summer put me through many different situations. Situations that could be considered difficult to handle; situations that could bring all the happiness in the world; even situations which some people would term irrelevant. However, one of these wouldn't have been valid without the others, for they all made up the situation of reality. Being able to relate to reality has been my biggest reward the AFS experience, or any other experience has ever given me. So I ask you to consider this paragraph as one of deep and indebted gratitude on my part, to all of those who made it possible.

Chris Kartchner

I feel it is a great privilege to have been chosen to represent Weber High School in the AFS program. Meanwhile I wait for the "OK" from the big man in New York.

Kirk Layton

Bubbling mirth, sincere happiness and overwhelming kindness were all so freely shed upon me when I first came to Weber. I just couldn't believe it — you wouldn't either if you'd lost your passport within 3 minutes of being in the USA, obtained a visa for staying here for only 30 days, and topped it off by missing the plane flight to Salt Lake City!! Well I caused a whole heap of trouble and yet my family and my friends still inducted me as new daughter, sister and cobber (friend). With all my love and affection,

Your Aussie American —
Mary Cresswell

Hi everybody,

The year is already over . . . and it sure has been a neat year for me! (See, I'm even picking up your slang.) And that's thanks to you all. To be honest, I was a little bit scared the first day I came to Weber and my poor broken English (!!!) didn't make things easier!

But everybody here, students or teachers, has been so nice to me that I felt immediately at home. I've found the best friends here and I surely will never forget you. I'll be saving for the next 5 years so that I can come back for the "five year reunion of the class of 72-73."

Thanks for the wonderful year you gave me. It has been great!!

Au revoir!

Veronique

P. S. If my dad thinks I'm too American, he might send me back sooner!!!!

Golden Spike Rodeo Club

The Golden Spikers Rodeo Club is made up of 13 different high schools in this area. We have 208 members, 40 from Weber High. This is a real fun club. We start rodeoing around the first of April and continue until the first week in June. The State Finals are held in June, then the top three in each event will go to the Nationals, which will be held in Ogden this year. There will be contestants from all over the U.S. to these finals.

The purpose of High School Rodeo is to develop leadership, sportsmanship, citizenship and human relations. We would just like to thank those of you who have supported our rodeos and activities this year.

Thanks,

Fred, Mike, Kelly, Connie and Cindy.

It takes a lot of courage to play a game where 250 pounds of flesh keep crushing your body. You may ask yourself, "What does he want?" Each time you get the ball you discover what he wants — the ball! We want to thank the team for putting out a great effort. And even though we didn't win, we still know Weber's on top.

This year's pep club sent spirit and enthusiasm ringing through the halls of Weber. Through thick and thin, victory and defeat, the pep club faithfully stood behind our teams. Pixie Days, Prayer circles and Pep Rallies were all a part of the special year planned by the officers. Great going, gals!

Traditions

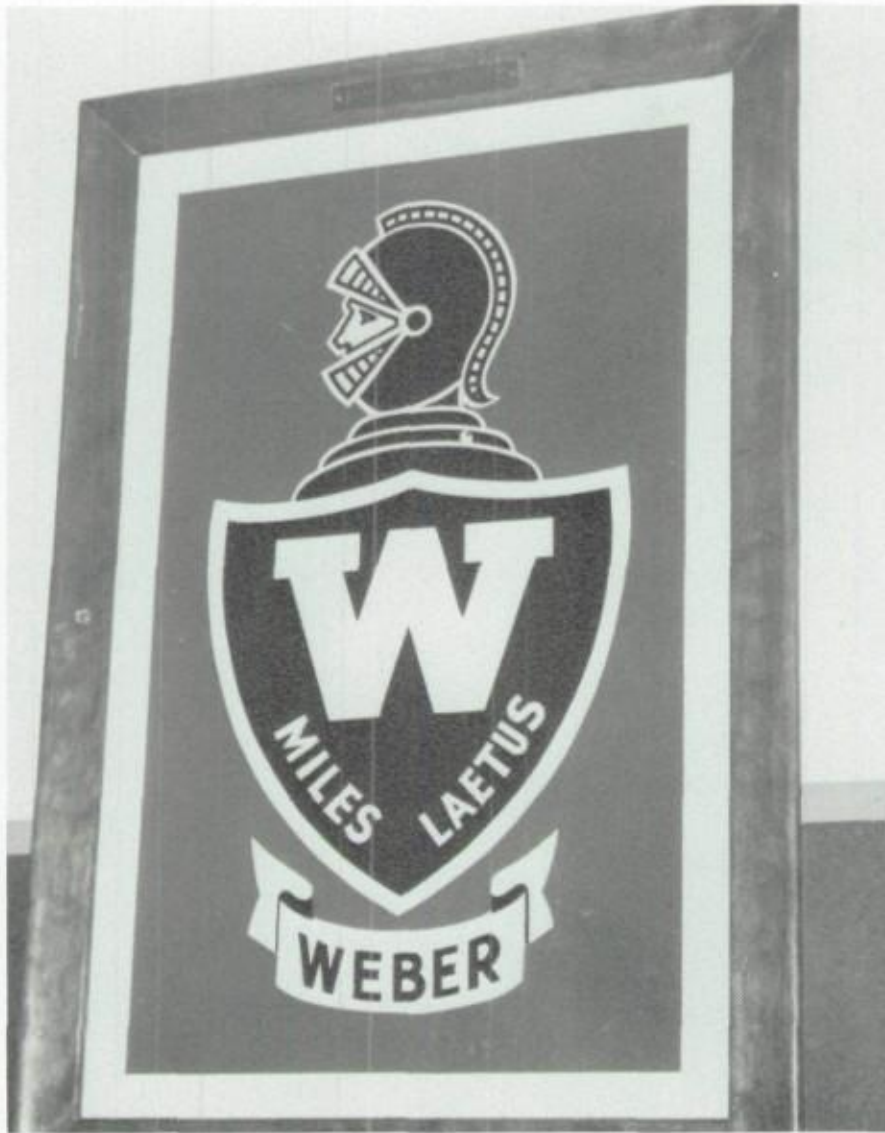

Since this is the last year at the old Weber High, our traditions mean more to us than ever before. It's taken years to change a one-time practical joke or a social happening into a traditional activity. The personality of a school is based upon its traditions and Weber has a great personality.

In Memoriam

Lola I. Parker

Roger J.

For what is it to die but to stand
naked in the wind and to melt into
the sun? And what is it to cease
breathing, but to free the breath from
its restless tides, that it may rise and
expand and see God unencumbered?

Kahlil Gibran

I'd like to personally thank the yearbook staff for all they have done this year. Dave, Mark, Kerry, Rick, Karen, Cheryl, Jennifer, Kris and the photographers Chris and Carl have put out so much effort and extra time to preserve this year in a book. We've had a lot of fun in spite of some of the conflicts and frustrations. We never could have done it without Mrs. Gibson, Mr. Clark and Mr. Westergard to help us and do a lot of the "dirty work."

I can only say I hope this book will keep for everyone this "Year of the Warrior" as a reminder of Good Old Weber.

Hi Jeff
I am Real
Glad to meet
you this year
Robert Johns

Jeff,
You're a great guy and a
great friend. Just think
of it; you will be the
~~Card Manager~~ I didn't mean
to cross that out, but so
there if you can read it.
I wish you luck next year.
Your friend
Bill Jones

To a great kid
who out of better stay
out of trouble or
see

I can Jeff
We really enjoyed having
you in our plans -
You're a fine young man -
Keep your enthusiasm
for life ok, lots of
of luck - Mr. Bond

Mr. Hansen
Well have to get
together this summer
and take in a flick
or something on a beer.
If you dare drive
with me
